R. H. Russell

Jean

When the film is available please let me know. I would like to show it in school classes, or perhaps may arrange for a special viewing for the entire student body and administration. My principal is an ecology minded person.

Would appreciate being able to show it free if possible, as I would personally have to pay for any rental charge. The school district will pay for postage for films to and from the district, but not for rental fees that individual teachers request that are not on the county's free film list which we use.

What are Bruton's and Jim's new address at Silverlake? Thanks.

Roy Russell
